

# Croeso i Mam Berllan

Mae'r "Mam Berllan" hon yn rhan o fenter "Ein Coed" Cwm Arian. Mae Ein Coed yn brosiect sy'n annog pobl i rannu toriadau o goed a llwyni. Fel cyfnewid hadau, ond gyda choed.

Casgliad arbennig o goed a llwyni ffrwythau a chnau yw Mam Berllan sydd wedi eu dewis yn ofalus ar gyfer hinsawdd Gorllewin Cymru. Rydym wedi plannu'r coed hyn fel y gallwch gasglu toriadau, am ddim, trwy drefniant gyda pherchnogion y safle. Mae'r map safle isod yn dangos pa goed sydd ble.

I drefnu toriadau neu gael gwybod mwy ewch i [www.cwmarian.org.uk/eincoed](http://www.cwmarian.org.uk/eincoed)

# Welcome to a Mother Orchard

This "Mother Orchard" host site is part of Cwm Arian's "Ein Coed" initiative. Ein Coed is a project encouraging people to share cuttings of trees and shrubs. Like seed-swapping, but with trees.

A Mother Orchard is a special collection of fruit and nut trees and shrubs which have been carefully selected for the West Wales climate. We have planted these trees so that you can collect cuttings, for free, by arrangement with the site owners. The site map below shows you which trees are where.

To arrange cuttings or find out more visit [www.cwmarian.org.uk/eincoed](http://www.cwmarian.org.uk/eincoed)
