

# Croeso i Mam Berllan

Mae'r "Mam Berllan" hon yn rhan o fenter "Ein Coed" Cwm Arian. Mae Ein Coed yn brosiect sy'n annog pobl i rannu toriadau o goed a llwyni. Fel cyfnewid hadau, ond gyda choed.

Casgliad arbennig o goed a llwyni ffrwythau a chnau yw Mam Berllan sydd wedi eu dewis yn ofalus ar gyfer hinsawdd Gorllewin Cymru. Rydym wedi plannu'r coed hyn fel y gallwch gasglu toriadau, am ddim, trwy drefniant gyda pherchnogion y safle. Mae dau safle arall y Fam Berllan ym Maenordy Scolton, wedi'u lleoli yn y maes parcio.

I drefnu toriadau neu gael gwybod mwy ewch i [cwmarian.org.uk/eincoed](http://cwmarian.org.uk/eincoed)

# Welcome to a Mother Orchard

This "Mother Orchard" host site is part of Cwm Arian's "Ein Coed" initiative. Ein Coed is a project encouraging people to share cuttings of fruiting trees and shrubs. Like seed-swapping, but with trees.

A Mother Orchard is a special collection of fruit and nut trees and shrubs which have been carefully selected for the West Wales climate. You can collect cuttings from the trees in this walled garden, for free, by arrangement with the site owners. There are two other Mother Orchard sites at Scolton Manor, located in the car park.

To arrange cuttings or find out more visit [cwmarian.org.uk/eincoed](http://cwmarian.org.uk/eincoed)
